

CLIENT TESTIMONIALS

“Your I.T. Support has been an incredible support for me. They work hard to find a solution to any problems I might be having. It’s a pleasure calling Silent Partner because I know I am talking to someone who really loves their job, and strives for 100% customer satisfaction.”

Gina Fletcher

Youth for Christ Calgary

“We have been using Silent Partner for five years now and absolutely love it! It is easy to use, has great reports and the technical support is amazing. Silent Partner offers everything you need to develop a great fundraising program.”

Judy Richichi

Director of Major Gifts and Corporate Relations
Siloam Mission

“As a consultant that works with hundreds of non-profits every year who want to move the next level in their fundraising goals, I highly recommend Silent Partner to all my clients because the staff at SP “get it”. They get what you want in a donor management system and are always evolving and improving.”

Gary MacDonald

Founding Partner of Clearview Training Consulting Services

“When we were first looking for a new CRM system, I contacted another group that also uses Silent Partner. The person expressed how much they appreciated the I.T. Support they received and that was very helpful in choosing to move ahead with Silent Partner.”

Karen Sweeney

Latin America Mission (Canada) Inc.

“Our organization has been using Silent Partner Software since 2006. It has been absolutely astounding to see the changes over the years. The customer support is invaluable. The communication with customers regarding needs and ideas is amazing.”
